About Us ...

Hinton Steel Company is a wholesale steel source established in 1978. We are one of the leading distributors of rolled steel products and ornamental steel components in the Rocky Mountain region. The company is located in Denver, Colorado and has a fully stocked 20,000 sq. ft warehouse and experienced sales team that can help you with your structural and ornamental steel needs. The business is family owned and operated for over 25 years and has a solid reputation based on friendly service, competitive pricing and a wide variety of ornamental steel parts and components to fit any job.

We can supply you with:

◆ **Rolled Steel Products**

We have a wide selection of **Rolled Steel Products** and shapes, including tubes, angles, pipes, channels, flats, solid rounds and squares, sheet metals and expanded metals. We also can supply some hand-forged products.

◆ **Ornamental Iron**

Hinton Steel Company has been known for their extensive selection of raw ornamental iron needed for fabrication of iron gates, fencing, window guards and stair rails. From solid steel scrolls, artistic baskets, steel stampings, grape clusters, spear points, picket castings, lock boxes, letters, post caps, shoes, handrail brackets, tabs, balusters and more; we have the wide variety of styles in stock that you need.

◆ **Powder Coated Ornamental Iron and Hollow Balusters**

We are very excited to be offering a new Powder Coated Ornamental Iron available in pre-finished colors. The line contains a variety of desirable colors for newel posts, pickets and accessories. Also available in this line are hollow balusters, which weigh and cost less. These items come individually wrapped to protect the finish. They are also priced very competitively and offer a wide assortment of designs. Call today for more information!

◆ **Accessories and Hardware**

At Hinton Steel Company we also carry some of the more common steel accessories, welding and safety equipment for your convenience. We stock cut-off wheels, grinding wheels and hubs, premium metal finish paint, Xylene thinner, and tubing cleaner & degreaser. We also carry gate hardware such as latches, hinges, fasteners, lag screws, TORX screws bits & drivers, and other items.

Please take a moment and review our website. If you have any questions please contact us and our experienced sales team would be happy to answer any of your questions. Our terms are cash, check and VISA/MasterCard. Credit can be established by submitting a credit application.
